

Family Rules ..

Children

Our children are not allowed upstairs in the residents area unless invited. Please respect that rule. The residents are not allowed in the down stairs houseparent area unless invited or to meet in Rae Lynn's office.

If you are having a problem with one of our children, please come to us and let us know. Do not take it upon yourself to handle the situation on your own.

Dog

Our Dog is very friendly. His name is Benelli. We do not allow him to roam around the common area. Please do not encourage him to do so. We also do not give him table food or scraps. If you have something that is questionable, please ask us.

Chores

Daily chores need to be done in the morning and weekly chores need to be done by Saturday.

Dress

When you come to the common area, you need to be dressed in a presentable fashion. No pajamas etc.

When you are dressing for the day you need to realize that you are a "model" to our children. They look up to you and you need to be mindful of what you wear. Dress modestly. If you do not have clothing that is presentable, we have a variety of maternity clothes to offer.

Example: no mid-drifts, shorts must be long in length, when you bend over we should not be able to see skin.

TV & Internet

It is ok to watch TV once your daily chores are done and service hours are met. TV hours start at 8:00 p.m. Anything that you choose to watch must be appropriate for Lena to watch. Any movies must be rated PG13, PG, or G. No music Channels like MTV, VH1, etc.

Phone

All cell phones must be plugged in once you get home, and can be used in the common areas. There are spots available in the office to plug phones in. The resident phone is located in the kitchen and can be used at any time. Please keep conversations to 15 min. Directions to check the voice mail is on the phone. If a message is for another resident, please save as new message.
